CAPDM is pleased to announce that Moorad Koorshed of AstraZeneca Canada Inc. is the 2017 CAPDM Member of the Year!

This is the second time Moorad is CAPDM's Distinguished Member, having been recognized in 2012.

Moorad has been a long-serving, dedicated CAPDM member. Always armed with a deep well of knowledge and experience, Moorad has served on many Advisory Groups.

Most recently, Moorad proactively reached out for support to put together an Advisory Group to further study expired product returns. Moorad was a keynote speaker on this very topic at the CAPDM Member Forum in September of 2017.

CAPDM has always been able to count on Moorad to lend a hand or share his expertise.

Congratulations Moorad!
