

2020 CAPDM Distinguished Member of the Year

Kristen Knott
Director
Pangaea Group

CAPDM is pleased to announce that Kristen Knott of Pangaea is the 2020 CAPDM Member of the Year!

Kristen Knott has been on the CAPDM scene for 15 years and she made her mark early receiving the CAPDM 2007 Distinguished Member Award.

She exemplifies leadership by example. As chair of the 2020/2021 Annual Conference Planning Committee, Kristen was fully engaged in every facet of planning as she helped the committee navigate through the uncertainties of the pandemic.

We also recognize Kristen for her continuous generosity in sharing her holistic approach and views on the pharmacy supply chain with CAPDM and its members. Pangaea continually provides insights on issues facing our supply chain that are invaluable.

Kristen has been described by colleagues as “calm, capable and kind” a triple threat when confronting any task or challenge.

Kristen, the CAPDM team, our board and membership are pleased to recognize you as the 2020 CAPDM Distinguished Member of the Year. Thank you for your enduring qualities.

Congratulations Kristen!
