

2023 Distinguished Member of the Year

Stefanie Ross

Senior Manager, Trade Relations, Pfizer Canada

Stefanie Ross exemplifies engaged commitment to advancing innovation and efficiencies within the pharmaceutical supply chain. For 15 years, Stefanie has served continuously on multiple CAPDM committees, lending her knowledge, perspective, and break-through questions that lead to solutions. Known for challenging the status quo and her good humour, Stefanie inspires robust discussions that pave the way for exceptional results.

Among her many contributions, Stefanie played a key designing role in adoption measurement as part of the 2D Barcoding Advisory Committee and its Measurement Sub-Group, accelerating cross-sector efficiencies. Stefanie's expertise was instrumental in developing the Pharmaceutical Expired Product Returns paper, a comprehensive guide for the efficient management of expired product returns and supply chain integrity. Stefanie is the longest standing member of the Annual Conference Planning Committee, and served as its chair in 2018, lending her insights to impactful high-quality programs for the CAPDM community.

Congratulations, Stefanie, and thank you for your outstanding contributions.
