

ANNUAL CONFERENCE

A WORKING SUMMIT

Resilient · Connected · Vital

MAY 3-6, 2026

HOTEL MONTELEONE, NEW ORLEANS, LOUISIANA

SPEAKER SPOTLIGHT

DAVID FRUM, SOCIAL & POLITICAL COMMENTATOR

One of the most influential political analysts of our time, David Frum brings a rational conscience into the mainstream. He helps crystallize what the current political climate both nationally and globally will mean for your business or organization – for the good, the bad and the future. As a Staff Writer at *The Atlantic* and host of 2025's *The David Frum Show* Podcast, David's commentary on social and political issues generates thought-provoking discussions throughout America and around the world. With over a million followers online, he provides fascinating insight into what political outcomes mean for specific audiences around the world in addressing geo-political issues or global and international affairs.

DR. ANNE SNOWDON, PROFESSOR OF STRATEGY AND ENTREPRENEURSHIP, ODETTE SCHOOL OF BUSINESS, UNIVERSITY OF WINDSOR, AND SCIENTIFIC DIRECTOR AND CEO, SCAN HEALTH

Dr. Snowdon is completing a national Community of Practice focused on advancing supply chain resilience in Canadian health systems. This work builds on a well established program of research focused on Digital Health, Digitally enabled Supply Chain capacity to deliver safe and equitable care, and health system innovation to achieve sustainability, economic value and health system performance by supporting innovators and entrepreneurs to successfully bring their products to the Canadian, U.S., and world markets. Dr. Snowdon has published more than 150 research articles, papers and cases, has received over \$25 million in research funding, holds patents and has commercialized a highly successful booster seat product for children traveling in vehicles, and is a Fulbright Scholar. She holds a PhD in Nursing from the University of Michigan, an MSc from McGill University, and BScN from Western University.

PATRICK KELLY, CHIEF ADVOCACY OFFICER, HEALTHCARE DISTRIBUTION ALLIANCE (HDA)

Patrick Kelly oversees HDA's state and federal legislative, regulatory, and political activities. He sets strategic direction for the healthcare distribution industry's advocacy agenda and leads the development of legislative and regulatory strategies to affect outcomes on priority issues. He is also responsible for establishing and maintaining relationships with members of Congress and personnel from numerous regulatory agencies and directs legislative and regulatory engagement based on direction from the association's Board of Directors and membership task forces.
